Career Services provides comprehensive career planning and employment access opportunities for all UT students and alumni.

- Career Services offers a wide range of career readiness online resources, tools and e-guides including: self-assessments for exploring career and education possibilities, exploring job opportunities around the globe, resume and cover letter writing, interview skills development, and job search strategies. All online resources can be accessed via the myUT portal under the University Career Services heading.
- The Career Services Resume Dropbox is available any time of day for students to submit their resumes, CVs, and cover letters for critique with a 48-hour turn-around. This service is accessed on the Career Services website.
- Scheduled appointments through "Handshake" and walk-in appointments are available addressing career and professional development needs including:
 - Career and major exploration and career planning;
 - Resume, CV and cover letter writing assistance;
 - Mock interviews;
 - Professional dress and etiquette advice;
 - Social media presence and job search strategies.
- The Career Studio, staffed by Career Ambassadors (peer advisors), is available during business hours (Fall/Spring semesters) for students to get their resumes, CVs, and cover letters critiqued, to answer career-related questions, to get help with online career tools and to use computers and a printer for career-related activities.
- On-campus student employment is administered by University Career Services, including the posting of on-campus positions and the processing of student employment documentation.
- Career Services works with employers to secure part-time, full-time and internship opportunities. "Handshake" is the online employment platform where students and alumni can access and apply for positions.
- Professional interview attire is available at no-cost through Rocket Style Career Closet. Career Services also partners with JCPenney in the spring and fall for Suit-Up events where students received a significant discount on professional attire and accessories.

Students are encouraged to connect with Career Services online and in person beginning in their first year and to continue throughout their academic career.

Living on campus connects students with the vibrant life of the University. The close-knit, supportive on-campus community offers students a place to live and work that distinctly enhances their college experience by putting them at the center of everything: classes and labs, the library, advising and academic support, and so much more!

The Office of Residence Life promotes student growth and opportunities through safe, supportive, inclusive, and academically-focused environments in premier housing communities led by caring and engaging staff.

Residence Hall v. Dorm

The terms "residence hall" and "dorm" are often used interchangeable. However, there is a difference between the two. An important objective of residence halls at The University of Toledo is to provide not only a place to sleep, but opportunities for educational and personal growth. UToledo offers residential living communities to enhance the intellectual climate and provide nurturing and inclusive environments that facilitate engaged student learning and citizenry.

Aside from the obvious advantage of access and convenience, living on campus is a great way to meet people and make life-long friends that transforms out of class time into a much richer and deeper experience.

Residency Requirement

All first and second-year students who live outside of a 25-mile driving radius from UToledo are required to live on campus. Students who reside within a 25-mile radius can choose to live on campus, but it is not required if they are commuting from home.

Specialized Living Communities

To get more out of your stay in the residence halls, consider joining one of our Specialized Living Communities (<https://www.utoledo.edu/studentaffairs/reslife/livinglearning.html>). These communities extend student learning outside of the classroom and promote student intellectual, social and personal growth.

The University of Toledo is committed to providing a workplace and educational environment, as well as other benefits, programs, and activities that are free from sex discrimination, sexual harassment

(including actual or attempted sexual assault; domestic violence; dating violence; and stalking) and retaliation.

The University encourages the reporting of sex discrimination, sexual harassment (including actual or attempted sexual assault; domestic violence; dating violence; and stalking), or retaliation that may occur in its programs or activities, to ensure that the University has an opportunity to address prohibited conduct. Reports may be made by completing a complaint form (https://cm.maxient.com/reportingform.php?UnivofToledo&layout_id=7) or by contacting the Title IX Coordinator, Vicky Kulicke (titleix@utoledo.edu). Additionally, this office also assists in providing pregnancy and parenting resources and supportive measures.

The Title IX Office also provides prevention education and awareness campaigns to the campus community. Our goal is to create a campus community free of sexual misconduct, sexual harassment, and other forms of sexual and intimate partner violence, in which students, faculty, and staff enjoy equitable, non-violent relationships. We provide educational programming addressing the role that everyone can take in creating a sexual misconduct free and sex discrimination free UToledo. We are dedicated to ensuring that students, faculty, and staff are provided proper resources to engage in services with our collaborative partners including crisis intervention, medical services, mental health counseling, legal services, employee assistance programs and academic supportive measures should they be impacted by sexual violence.

The University Libraries drive excellence in lifelong learning, discovery and engagement. Within a collaborative and interdisciplinary environment, the Libraries enrich the student learning experience, facilitate research at all levels, and engage the University community through innovative educational services, resources and technologies.

Resources and Collections

Consisting of the Carlson Library (<http://www.utoledo.edu/library/carlson/>), Canaday Center for Special Collections (<http://www.utoledo.edu/library/canaday/>), and Mulford Health Science Library (<http://www.utoledo.edu/library/mulford/>), the University Libraries provide a rich array of collections to meet the information needs of students, faculty and staff. From print and electronic books, online journals, rare books and manuscripts, electronic research databases, musical recordings, theater productions, and digitized primary source documents – our resources connect users to ideas and knowledge in the humanities, arts, social sciences, health sciences and STEM disciplines.

UTMOST (<http://search.ebscohost.com/login.aspx?authType=ip,guest&custid=s8899245&groupid=main&profile=eds>) is the University Libraries online discovery search interface and can be used to locate and access materials from across the Libraries' collections which include:

- 496,200 print volumes
- 243,700 electronic books
- 35,000 streaming videos and musical recordings
- 79,700 online journals
- 5,400 print and microfilm/fiche journals
- 350 research databases
- In addition, the University Libraries is a charter member of OhioLINK (<http://www.ohiolink.edu/>) which provides access to over 46 million library materials from across the state of Ohio.

Current students, faculty and staff can connect to the University Libraries' electronic resources from off-campus by using the links to those resources from within the Libraries website (<http://www.utoledo.edu/library/>). After clicking the link to a resource, users will be prompted to login by entering their UTAD information.

Key Services

The University Libraries deliver expert-driven services that facilitate the discovery, access and use of scholarly information resources.

- Reference and Consultation (<http://libguides.utoledo.edu/askalibrarian/>): Librarians are available to help with research in-person and via phone, e-mail or chat/instant messaging. Subject Librarians (<http://libguides.utoledo.edu/subjectliaisons/>) serve as liaisons to colleges and departments, providing specialized research assistance in specific disciplines.
- Borrowing and Circulation (<http://libguides.utoledo.edu/borrowing/>): Library materials can be checked out at the circulation/service desk with a valid Rocket ID card.
- Interlibrary Loan (ILLiad) (<http://libguides.utoledo.edu/ill/>): Articles and materials not available through the Libraries or OhioLINK can be requested via ILLiad.

- Course Reserves (<http://libguides.utoledo.edu/reserves/>): Textbooks and other materials placed on reserve by course instructors can be checked out from the circulation/service desk.
- Information Literacy Instruction: Classes are taught by librarians on various information and research skills topics. Workshops are offered each semester.
- Library Guides (LibGuides) (<http://libguides.utoledo.edu/>): LibGuides are online research guides compiled by Subject Librarians to bring together the best available resources for specific topic, courses, and programs.
- Pre-health leadership, shadowing, and volunteer opportunities
- Self-care, mind-set, and stress management

Students can make appointments with a Pre-Health Advisor Monday – Friday by calling 419.530.2220.

Spaces, Facilities and Technology

419.530.2220
prehealthadvising@utoledo.edu

The UToledo's Pre-Health Advising Center is a resource for pre-medical, pre-dental and pre-veterinary students.

We support students throughout their undergraduate academic journey, providing resources and pre-health advising to help them develop strong metrics, attributes, and experiences to become a competitive applicant for medical, dental, or veterinary school.

The Pre-Health Advising Center offers guidance on:

- Medical, dental, and veterinary school admission requirements
- Letters of recommendation
- Mock interviews
- Personal statements
- Medical, dental, and veterinary school applications
- Standardized testing (MCAT, DAT, and GRE)
