

J.D./M.B.A. DUAL DEGREE

The J.D./M.B.A. program provides an opportunity to earn a dual degree through an integrated curriculum. Successful completion of the dual degree leads to the awarding of two degrees. The Juris Doctor degree is awarded by the College of Law, and the M.B.A. degree is awarded by the John B. and Lillian E. Neff College of Business and Innovation. Students enrolled in the dual degree program will not receive the J.D. or M.B.A. degree until all work required for both degrees have been completed.

Students must apply and be admitted to both programs separately. Admission to one program does not guarantee admission to the other program. There are separate applications and fees for each program. The LSAT will be accepted by the John B. and Lillian E. Neff College of Business and Innovation in lieu of a GMAT score. If LSAT is waived for the admission process with the College of Law, the GMAT will be waived for the admission process with Neff COBI. It is recommended that students speak to the College of Law prior to enrolling in the dual degree program as some courses have to be taken in sequence to meet the J.D. program degree requirements.

Juris Doctor (J.D.)

The College of Law requires the successful completion of 89 credit hours. A maximum of 15 credit hours can be online course work. The dual degree program would permit up to 12 credit hours of M.B.A. courses from the College of Business and Innovation to be applied toward the satisfaction of the 89 credit hour requirement. All courses taken in the College of Business that are to be applied towards J.D. program requirements must be earned with a grade of B (3.0) or higher.
