

MASTER OF EDUCATION IN EARLY CHILDHOOD EDUCATION

The Master of Education in Early Childhood Education degree is designed for those who hold a bachelor's degree and wish to earn an initial Ohio teaching license at the graduate level in conjunction with a master's degree. Students in this program earn a master's degree and complete requirements for an initial Ohio educator license in Primary Education for grades PK through grade 5.

The ME in Early Childhood Education is a 36 semester hour program. Students take courses in teacher education that include practicum and internship experiences in PK-12 schools along with supporting education courses. The program culminates with a theory and research course and the completion of a master's culminating seminar, project, or thesis depending on the student's interest. Coursework is completed through a combination of on-campus, online, and school-based courses.

Admission to the ME in Early Childhood Education

In addition to admission requirements of the College of Graduate Studies, admission to the master's program requires the following:

- A baccalaureate degree from an accredited four-year institution
- A well-written statement of purpose describing your background and goals as well as the importance of this degree in achieving those goals
- One letter of recommendation regarding your potential for doing master's level work from professionals such as an undergraduate major advisor, current employer, school principal or others who are knowledgeable about your ability to engage in graduate work in this degree program
- An overall grade point average (GPA) of at least 2.7 on a 4.0 scale in all undergraduate work is preferred
- A content area grade point average (GPA) of at least 2.7 on a 4.0 scale for coursework for the selected licensure area is preferred
- Undergraduate content area and literacy-related coursework for the selected licensure area

The master's program has selective admissions and may admit a limited number of students. Thus, meeting all formal criteria does not guarantee admission.

What to Submit with Your Application

- Official transcripts from all institutions of higher education
- Statement of purpose
- Resume

- One letter of recommendation
- Course Review Worksheet

Requirements for the ME in Early Childhood Education

For the Master of Education degree, students must complete the following program requirements:

- A minimum of 36 semester hours of approved graduate course work
- An area of specialization in teacher education that includes practicum and internship experiences in PK-12 schools
- Supporting coursework with courses pre-approved by the faculty advisor
- A master's culminating experience

For the Ohio licensure, students must complete additional requirements to fulfill the credential requirements as well as the degree requirements.

No more than six semester hours of credit from any combination of workshops (5950), problems or special topics courses (5980 or 6980), and independent studies (5990 or 6990) may be included in the degree program.

All coursework and requirements of the master's degree must be taken within a six-year period immediately preceding the date the degree is awarded.

- PLO 1: Candidates use their understanding of young children's characteristics and needs, and of multiple interacting influences on children's development and learning, to create environments that are healthy, respectful, supportive, and challenging for all children.
- PLO 2: Candidates know about, understand, and value the importance and complex characteristics of children's families and communities. They use this understanding to create respectful, reciprocal relationships that support and empower families, and to involve all families in their children's development and learning.
- PLO 3: Candidates know about and understand the goals, benefits, and uses of assessment. They know about and use systematic observations, documentation, and other effective assessment strategies in a responsible way, in partnership with families and other professionals, to positively influence children's development and learning.
- PLO 4: Candidates integrate their understanding of and relationships with children and families; their understanding of developmentally effective approaches to teaching and learning; and their knowledge of academic disciplines to design, implement, and evaluate experiences that promote positive development and learning for all children.
- PLO 5: Candidates identify and conduct themselves as members of the early childhood profession. They know and use ethical guidelines and other professional standards related to early childhood practice. They are continuous, collaborative learners who demonstrate knowledgeable, reflective, and critical perspectives on their work, making informed decisions that integrate knowledge from a variety of sources.
