B.A. IN ART HISTORY

Thor Mednick, Ph.D., Head, Art History Thor Mednick, Ph.D., Head, Art Museum Practices concentration Mysoon Rizk, Thor Mednick: Undergraduate Advisors

The bachelor of arts program provides a foundation in the history of art and architecture through introductory course work in the styles, subjects and social history of Western and non-Western art and architecture, and through advanced course work and optional directed study in art, architecture, theory and criticism. The program makes extensive use of the collections and research facilities of the Toledo Museum of Art. Internships for credit may be arranged with the Toledo Museum of Art and with other local arts organizations.

The Art History program also offers a B.A. in Art History degree with a concentration in Art Museum Practices (AMP) with a focus on professional standards, practices and procedures used in contemporary museums of art. In this unique program, students take maximum advantage of their remarkably advantageous relationship with the Toledo Museum of Art, an institution of international stature.

The curriculum leading to the B.A. in Art History requires a minimum of 33 hours of art history courses and a maximum of 45 hours, which must include the following:
