

BBA IN ACCOUNTING

Accountants provide information and analysis to help companies problem solve and achieve goals. Accountants provide a wide range of services whether they work in public accounting or in industry.

The Department of Accounting offers courses in the areas of data analytics, financial accounting, management accounting, auditing, accounting systems and taxation. Completion of an accounting area of specialization leads to professional careers in public accounting, business and government and begins the preparation for the Certified Public Accountant (CPA) examination. In the state of Ohio, all candidates taking the CPA exam must have completed 120 credit hours (150 hours are required for certification). The department of accounting offers a graduate degree, the MS in Accounting, which can be pursued after completion of the bachelor's degree.

No junior-level accounting courses may be attempted until a student is admitted to the upper division and the Accounting major by the College of Business and Innovation Accounting Department.

Code	Title	Hours
Required Courses		
ACCT 3100	Data Analytics in Accounting ¹	3
ACCT 3110	Intermediate Financial 1	3
ACCT 3120	Intermediate Financial 2	3
ACCT 3210	Individual Taxation	3
ACCT 3310	Accounting Information Systems And Controls	3
ACCT 3320	Cost Accounting	3
ACCT 4420	Auditing	3
Total Hours		21

¹ Students wishing to register for ACCT 3100 must meet the following prerequisites:

- a GPA of 2.750 or better in all introductory level college accounting courses, including a grade of C (2.0) or higher in BUAD 2040 and BUAD 2050 or equivalent courses, and
- an overall higher education GPA of 2.750 or higher in all prior college-level courses.

A permit must be entered to allow a student to register for ACCT 3100.

Early admission/bridge program – BBA-MBA

Undergraduate students accepted in the BBA-MBA option will be admitted to the MBA program and allowed to complete up to three **graduate level classes** (nine credit hours) during their final academic year of **undergraduate studies**. Students admitted into the pipeline program must apply for admission to the College of Graduate Studies for the semester that they intend to matriculate. They will then continue in the MBA program upon completion of the undergraduate degree requirements. The graduate coursework (up to nine hours) may be applied **to completion of both undergraduate and MBA degree requirements**. The following provisions apply for classes taken for graduate credit: 1) graduate classes taken at The University of Toledo only after the student is accepted in the MBA joint program, 2) only BUAD 6100, BUAD 6300,

BUAD 6400, BUAD 6500 BUAD 6800 may be included in the approved nine semester hours of graduate credit taken as an undergraduate. 3) Up to 9 credit hours of graduate business courses can be used toward the 3000/4000-level business electives or extra hours toward their BBA.

However, they may not count any of those 9 credit hours toward any specific undergraduate major or minor requirements, nor may they count toward any required undergraduate business core requirements (i.e., no BUAD-designated courses). Students must have at the time of application 1) a minimum of 3.0 cumulative undergraduate grade point average that will include undergraduate credits earned at other institutions and transferred to UT, 2) undergraduate advisor's approval, and 3) graduate advisor's approval. Students interested in the joint BBA / MBA program must submit 1) a letter of interest, 2) a completed graduate admission application, 3) at least 2 letter(s) of recommendation from faculty members. After successful completion of the application process, students will apply to the graduate program.

Early admission/bridge program - BBA - MSA

Undergraduate students accepted in the BBA-MSA option will be admitted to the Master of Science in Accountancy program and allowed to complete up to three **graduate level classes** (nine credit hours) during their final academic year of **undergraduate studies**. Students admitted into the pipeline program must apply for admission to the College of Graduate Studies for the semester that they intend to matriculate. They will then continue in the MSA program upon completion of the undergraduate degree requirements. The graduate coursework (up to nine hours) may be applied **to completion of both undergraduate and MSA degree requirements**. The following provisions apply for classes taken for graduate credit: 1) graduate classes taken at The University of Toledo only after the student is accepted in the MBA joint program, 2) only BUAD 6200, BUAD 6300, BUAD 6400, BUAD 6500, BUAD 6800, ACCT 6130, ACCT 6190 ACCT 6250, OSCM 6250 may be included in the approved nine semester hours of graduate credit taken as an undergraduate. 3) Up to 9 credit hours of graduate business courses can be used toward the 3000/4000-level business electives or extra hours toward their BBA. However, they may not count any of those 9 credit hours toward any specific undergraduate major or minor requirements, nor may they count toward any required undergraduate business core requirements (i.e., no BUAD-designated courses). Students must have at the time of application 1) a minimum of 3.0 cumulative undergraduate grade point average that will include undergraduate credits earned at other institutions and transferred to UT, 2) undergraduate advisor's approval, and 3) graduate advisor's approval. Students interested in the joint BBA / MBA program must submit 1) a letter of interest, 2) a completed graduate admission application, 3) at least 2 letter(s) of recommendation from faculty members. After successful completion of the application process, students will apply to the graduate program.

Combined bachelor's to master's – BBA-MABA

Undergraduate students accepted to the BBA-MABA pipeline program option will be admitted to the Master of Applied Business Analytics (MABA) program and allowed to complete up to three graduate level classes (nine credit hours) during their final academic year of undergraduate studies. Students admitted into the pipeline program must apply for admission to the College of Graduate Studies for the semester that they intend to matriculate. They will then continue into the graduate program upon completion of the undergraduate degree requirements. The graduate coursework (up to nine hours) may be applied to completion

of both undergraduate and graduate degree requirements. It will be the joint responsibility of the faculty and administrators in the undergraduate and graduate programs to supervise students admitted to the combined program option, to ensure that the limit of nine hours taken as an undergraduate is strictly enforced, and to request that the College of Graduate Studies change their matriculation from Undergraduate to Graduate when they meet all undergraduate degree requirements.

The following provisions apply for classes taken for graduate credit:

1) graduate classes taken at The University of Toledo only after the student is accepted in the program, 2) one or two courses from the following MABA core courses (INFS 6150, OSCM 6250 or OSCM 6350) and one of the following courses based on the student chosen functional area (BUAD 6100, BUAD 6200, BUAD 6300, BUAD 6600, BUAD 6800 or INFS 6050) may be included in the approved nine semester hours of graduate credit taken as an undergraduate. Students interested in the combined program must submit a graduate admission application to the College of Graduate Studies.

Below is a sample plan of study. [Please see pre-business/lower division requirements BBA plan \(https://catalog.utoledo.edu/undergraduate/business-innovation/bachelor-business-administration-bba/#text\)](https://catalog.utoledo.edu/undergraduate/business-innovation/bachelor-business-administration-bba/#text) for terms one through four and additional information. Consult your degree audit for your program requirements.

Accrediting Body: Association to Advance Collegiate Schools of Business (AACSB) International.

First Term		Hours
BUAD 1000	Orientation For Business Students	1
BUAD 1010	Introduction To Business	3
