

MINORS

Business Minor or Business Electives for Business Students

9 hours + Required Business Core BUAD course will serve as the fourth course to meet minor requirements of 12 credit hours

As part of the minimum 10 course required in the area of specialization requirement in the B.B.A. degree, students complete 3 junior/senior level Business electives or a 3 courses toward an approved Business minor in addition to the 7 courses required in their major. A second Business minor may be completed with 9 additional hours. Required Business Core BUAD courses serve as the prerequisite 4th course to meet minor requirements. Minors which include courses outside of the college will require more than 3 additional courses.

The following minors are **ONLY** available for Neff College of Business and Innovation students. Students cannot duplicate credit in their minor, area of specialization and upper division core. The minor consists of three courses (9 hours), unless otherwise noted.
