Honors College Policies

GPA Warning & Ineligibility Policy: This policy enforces the expectations the JSHC holds for Honors students relative to the UToledo cumulative GPA. It outlines steps that will be taken for students with grades that threaten their ability to earn College Honors by the time of graduation.

In short, first-year and sophomore Honors students are expected to maintain at least a 2.75 whereas junior and senior Honors students are expected to maintain at least a 3.0. This policy is enforced by the Honors College after each Fall and Spring semester.

Curricular Good-Standing Policy: This policy defines satisfactory curricular progress toward the Honors medallion as well as a timeframe for review. These guidelines for taking "HON" core courses and earning Honors credits are established relative to the student's degree-granting college and are enforced by those units in coordination with the Honors College each Summer.
