DEGREES OFFERED

The College of Nursing prepares students for a variety of careers in the healthcare environment. Professional practice settings include hospitals, long-term care, home health, school nursing, community centers as well as opportunities in teaching, management, and service settings.

State Boards of Nursing set standards for licensure. It's highly recommended that students who seek admission to the BSN program at the University of Toledo, College of Nursing contact their home state's Board of Nursing to verify that the desired program and its graduates will meet the eligibility criteria for approval of those credentials. The website of the National Council of State Boards of Nursing has contact information on Boards of Nursing in each state.
